CLOSING BULLETIN

26-5-2008

FROM THE COMMITTEE

Dear Sailors,

After having said goodbye to you all at the price giving party we didn't really felt ECC 2008 was over. Coming home we read the many positive reactions on the fantastic week we had together in Bodrum and this was our greatest reward for the time we spend by organising ECC 2008. Our team like to thank your nice words.

Organising ECC 2008 was really a pleasure to us!

It is now Sunday afternoon, the time that we, Hinke and myself, were used to do ECC administration, to read your mails and to give feedback to you and to prepare bulletins etc.

Now we realise that the job is done for us, normal life is back and besides our jobs our focus will be, as you will guess, weekend sailing in the Dutch waters.

Craig Warrender is the winner of ECC 2008 and he takes the challenge to organise ECC 2009. We, ECC Committee 2008, wish Craig lots of wisdom how to satisfy 70 critical skippers and their crew but most of all we wish Craig pleasure in organising next ECC!

I hope to see you all next year at ECC 2009 in???????

Pieter van Beuzekom
Commodore ECC 2008

Engineering Challenge Cup 2008

Overall results

Attached to the mail with this Bulletin please find the overall results of ECC 2008

ECC 2008 photo session

We have send the ECC 2008 CD to the skippers who didn't pick up in Bodrum the CD with many nice photo's. Enjoy!

New Commodore ECC 2009! Craig Warrender
