

Dinghy Race – Instructions to Race

The dinghy race will take place at the beach located at the south of Kaprije bay. There will be a Le Mans Style Start procedure which will take place from the Liberty Bar located at the very same beach.

Rules - Instructions

1. Each Dinghy must be crewed with 2 members of the sailing boats crew.
2. The ECC number must be placed visible on the bow of the rubber boat.
3. All participants must wear a life jacket.
4. Rubber boats must be placed completely on the beach, not in contact with water, before the start.
5. All equipment which is on board of the sailing boat may be used, this includes the one dinghy's outboard engine. The ores must be brought mandatory. No explosives or deadly weapons are allowed, narcotics are tolerated.
6. All equipment used (except the outboard engine) must be brought to the Liberty Bar for the start.
7. Engines may only be started outside the bay when you have passed the buoys limiting the swimming zone in front of the beach. From this point on no crew member is allowed into the water.
8. The mooring buoy field must be rounded completely in clockwise direction. Leave all moored yachts and buoys on starboard side.
9. The finish line will be between two regatta buoys in front of the beach.
10. The first three boats finishing will receive valuable prizes.
