

Bulletin 9 - ECC 2012

Just two weeks left!

Issued 20th April 2012

Dear skippers and friends of the ECC,

Please notice the following information!

Well, surprisingly we are really fast closing in on the ECC 2012 and there are just two weeks left!

We completed the overwhelming task of designing the logbook and now some very kind ladies and gents overtook the part of printing and posting it to the skippers next week. Thank you very much to Anke, Thoralf, Guido, Burkhard and who ever assisted or will assist! ☺

Some notes / requests:

1. Please have a close look on the social calendar and especially on the Thursday! Who can entertain the ECC fleet better than the ECC fleet?

Yes, you are right, as we noticed in the past,
NOBODY!!!

So we decided to give all the talents of the ECC fleet a chance. Whether you are a singer, a guitar player, a dancer, a juggler, a fire-eater or whatever, just bring your special equipment and entertain us. We are really looking forward to enjoying your fantastic performance in the Arsenal in Zadar in the framework of the DOOSAN LENTJES / ILIRIJA night. We will provide a wide variety of music of all kind but if you do need something special, just bring it with you. Our famous DJ Simon 'the seal' will assist you and fill up the stage breaks!

Please inform all your crew members about this unique possibility!

2. As mentioned above a hardcopy of the logbook will be posted in the beginning of next week to every skipper. Nevertheless we will provide a pdf-file with lower resolution on the website next week (around Wednesday).
3. Crews that have not paid the Entry Fees for more than 6 crew members (please, calm down, that's completely ok so far☺) please make sure that you will be able to do so in cash (€) at the registration. You will find all information about WHERE and WHEN on Saturday in the logbook.

**And, last but not least,
stay save - have fun – enjoy**

Best regards,

OC of ECC 2012 and
Kay Heinrichs
