Counting Down: Boat Selection and Booking Process

As indicated in Bulletin No. 3, with this bulletin we publish the following lists that most of you anxiously have been waiting for!

We have done our utmost to reach and inform all the registered skippers by email and/or through text messages based on out-of-office replies.

The Boat Selection and Booking procedure will start on Tuesday 1st October 2013.

In the attachment hereto, you will find a sheet with all the boats listed, with the basic information, and grouped into: S, M, L and C categories (Small, Medium, Large and Commodores).

The second sheet indicates all the skippers listed, divided into four groups (S, M, L and C).

Please be aware of the fact that this list is not yet an indication of the precedence skippers for boat selection!

The lottery for the precedence of skippers will be held on Monday 30 September.

The results of the lottery will be published the same day on the ECC website www.ecc-sailing.com.

Starting the 1st of October, each skipper will be invited via email by Adriatic Holidays to make his or her choice according the listed ranking.

The plan is to email more than one skipper at the time and ask for their three preferred choices.

The ECC 2014 will take place from April 20 to May 2nd 2014.

Welcome to the ECC 2014

For the first time in its history, the ECC fleet will be sailing around the islands of Sardinia and Corsica. We feel very fortunate to have the opportunity to be the organizers of such an

Once the first skipper has chosen the boat, Adriatic Holidays will confirm the first available choice to the second skipper and so on. We are looking into possibilities that the selection process can be followed live through the ECC website.

Sasha and Elena would be grateful if the skippers could respond as soon as possible, thus to avoid big delays in choosing and booking the boats.

If they don't hear from a skipper within 24 hours, they will move on to the next one on the list.

If a skipper is going to be away around the first of October, please allocate one of your crew-members to correspond with the Adriatic Holidays team or us, while you are away.

The confirmation papers (Invoice and Charter Contract) will follow soon after the allocation.

Sasha and I anticipate the booking procedure will last no longer than a week.

We will do our best to match the available boats with the skipper's requests, but please have some consideration that this might not be possible with the entire fleet and that you may have to do it with a second best option.

The final list with all the skippers and boats booked will be published on the ECC website.

I expect to submit the next bulletin not earlier than in November. For now I wish you best of luck with the lottery and trust that every skipper will be satisfied with his or her boat selected and booked. Until soon & va bene!
