

ECC 2016 – Bulletin #10

Can't wait for Spring

15th /February/16

Dear all,

The sun starts to rise earlier and earlier and we hope you can soon go back to sailing.

We want to continue our reporting on sponsors.

In bulletins #6 & #7, #8 & #9 following companies showed their Engagement for our common event:

AVEVA,	MAMMOET,
LINDNER Isoliertechnik,	DLR,
SAMSON,	NÜRMONT Installation,
TRIPLAN,	YOKOGAWA
Endress + Hauser	TEICON Engineering

We are proud to announce, that

DOOSAN joined us as **SILVER Sponsor**, a big **THANK YOU** for that.

Also very helpful are the following contributions:

- Boat 42 (Dirk Piechowiak) donate 500 €,
- Boat 59 (Thomas Schwender) has a doctor on board,
- Boat 43 (Robert Winia) has a doctor on board
- Boat 26 (Ralf Braune) provides the defibrillator.

The Polo Shirt production is now released. And unless the missing crews are all XS-size, we will have sufficient polo shirts for them.

Log Book work is in full swing.

Originally we planned to engage Alen again as our race officer, but he is unfortunately not available. We are now securing another race officer.
