

ECC 2016 – Bulletin #4

Boat Selection Process / Sponsoring

06th/September/15

Dear all,

We are happy to inform you, that 54 skippers have now successfully registered for participation. Therefore we now proceed to the next step: the **boat selection**.

A lottery will decide on the sequence of the skippers to pick a boat. We have done a lot together with Sasha and her partners to offer a small, medium and large as well as commodores fleet that suits your request expressed on the registration.

On **22/09/15** the boat list will be published on the web page www.ecc-sailing.com

The result of the lottery will be issued on the web page on the same day.

In that sequence the skippers will be addressed by Adriatic Holidays (Sasha) to select their boat from the fleet (S/M/L/C).

All skippers are kindly requested to be ready to decide soon on their selection.

And if you are not the first to pick your boat, you will certainly compensate by finding the rights winds in the regatta itself.

We will also address in the next weeks the companies for potential sponsorship and for sure all of us would very much appreciate any kind of contribution to our common event.

Looking forward to hearing from you,

Oliver Tondorf and Crew of EC 23 (Commodore and OC of ECC 2016)
