

ECC 2016 – Bulletin #8

Additional Crew Members

2nd /December/15

Dear all,

The important point first: no submission of crew list and team pictures by 24th Dec => no presents from Santa - So hurry up ;-)

In addition to the sponsors, mentioned in bulletins #6 & #7 - you remember:

AVEVA,
LINDNER Isoliertechnik,
DLR,
MAMMOET,
SAMSON,
NÜRMONT Installation,
TRIPLAN

We are proud to announce, that

YOKOGAWA joined us as bronze sponsor

Thank you for that!

There are some more sponsors, just waiting for official budget release, their names will be listed hopefully soon ;-)

Also very helpful are the following contributions:

Boat 65 (Dirk Piechowiak) donate 500 €,
Boat 59 (Thomas Schwender) has the doctor on board,
Boat 26 (Ralf Braune) provides the defibrillator.

Via separate email you will receive the contact data of those who volunteer to join a crew.

In case you know friends who would like to join next year, let us know. We will submit their names to the skippers.

Christmas is coming and

we hope you find time to spend time with your dearest.

Best regards,

Oliver Tondorf and Crew of EC 23(Commodore and OC of ECC 2016)
