

ECC 2016 – Bulletin #9 Polo Shirts / Crew List

10th /January/16

Dear all,

**We hope you have a good start into 2016.
And in case your plan for life is similar
to the one on the right, do not worry, 80 years
are quickly over.**

In addition to the sponsors, mentioned
in bulletins #6 & #7 & #8 – you remember:

AVEVA,	MAMMOET,
LINDNER Isoliertechnik,	DLR,
SAMSON,	NÜRMONT Installation,
TRIPLAN,	YOKOGAWA

We are proud to announce, that

Endress + Hauser joined us as SILVER Sponsor, a big THANK YOU for that.

TEICON Engineering joined us as sponsor

Also here we are very thankful and we will be happy to welcome this new sponsor in Sunny Gocek.

There are some more sponsors, just waiting for official budget release, their names will be listed hopefully soon ;-)

Also very helpful are the following contributions:

Boat 65 (Dirk Piechowiak) donate 500 €,

Boat 59 (Thomas Schwender) has the doctor on board,

Boat 26 (Ralf Braune) provides the defibrillator.

It is now high time for you to book your flights to Turkey.

The Polo Shirt production is about to commence – see also separate mail to all skipper having not yet submitted the crew list.

We also start now to work on the log book.

Best regards,

Oliver Tondorf and Crew of EC 23(Commodore and OC of ECC 2016)

"You mentioned you only want to work here long enough to buy a boat. For what we're going to pay you, you'll be here for the next 80 years."
